

KD  
GRAMMAR  
SCHOOL  
FOR BOYS

FAITH • LEARNING • LIFE

Proud to be part of **MIET**

PROSPECTUS

## WELCOME FROM THE EXECUTIVE HEADTEACHER

In my position as Executive Headteacher with overall responsibility for all three schools within the Manchester Islamic Educational Trust (MIET), I would like to welcome you to KD Grammar School for Boys.

Since the founding of MIET over 25 years ago, and the subsequent establishment of our schools, we have strived to provide a modern, **FAITH** based education, full of high-quality **LEARNING**, leading to a fulfilling **LIFE** for all our students.

As we look to the future we can see that whatever the age or gender of your child, the MIET family of schools will provide them with a rich and empowering education, enhanced by excellent experiences and opportunities outside the classroom. All this is developed and delivered within a highly committed and appropriate Islamic context.

Our values of Faith, Learning and Life encapsulate this philosophy and I hope you will choose us to guide your child through their formative years.

**Mrs Mona Mohamed**  
*Executive Headteacher*

## WELCOME TO KD GRAMMAR SCHOOL FOR BOYS

Since my arrival in 2016, I have had both the privilege and immense pleasure of leading KD Grammar School for Boys and helping our young men excel across a broad range of disciplines.

I am fortunate to have the support of a first-class Senior Leadership Team, an outstanding teaching staff, exceptionally strong governors and trustees, and a highly supportive parent body who, quite rightly, expect only the very best for their children.

Our boys are exposed to a wealth of opportunities both within and beyond the classroom. Our school places a strong emphasis on developing well-rounded young Muslim men who are proud of their Islamic faith, their cultural background and the country they live in. The result is young men that parents and the school can feel justifiably proud of.

From the moment they arrive in Year 7, our students are expected to achieve in a happy, caring and supportive environment. Regardless of ability, students are set challenging and ambitious targets for their academic progress resulting in excellent academic value-added performance.

Our diverse and rich curriculum enables students of all abilities to be both supported and challenged. The school sets very high expectations for learning, development and maintenance of Islamic ethos, and promotes adherence to the highest standards of behaviour in accordance with our rules and values.

Feel free to come and witness the outstanding achievements of our students. I would be delighted to meet you in person, to show you around the school and answer any queries you may have. Our most recent School Inspection Report is available on our website and on the Independent Schools Inspectorate's website.

**Mr Akhmed Hussain**  
*Headteacher*

# FAITH

## Developing proud, modern British Muslim citizens

KD Grammar is a welcoming and safe learning environment in which students are encouraged to explore and develop their Islamic faith and character. Our students are proud British Muslim citizens and ambassadors for the culture, faith and values of Islam.

Strong religious belief is the foundation of the emotional, social and spiritual education of our students. Daily prayer and Islamic Studies are an integral part of the timetable and reinforce the ethos of the school. Through regular practice and involvement in charitable work, our students develop their own sense of identity and belonging in the community.

Our school culture encourages the Muslim values of tolerance, care, empathy and understanding. Students are educated in the importance of having respect for and valuing the contribution of others. They are encouraged to seek out opportunities to put their faith into action - both through the curriculum and through their own spiritual journeys.

Under the guidance of Islam, students are able to explore their own humility and discipline, which promotes integration and social harmony within the wider community. Our British values of tolerance and mutual respect, democracy, rule of law and liberty, are actively promoted throughout the curriculum. Parents can be confident their sons will leave this school as well-rounded, confident young Muslim men.

“ encouraged to seek out opportunities to put their faith into action ”

“ a diverse and rich curriculum provides memorable experiences ”

# LEARNING

## Rich opportunities to achieve academic excellence

We offer a broad and balanced curriculum with strong foundations in English and Mathematics. Students are fully supported to fulfil their potential and achieve academic success.

We expect students to demonstrate a passion for learning and ambition to achieve excellence in their studies. KD Grammar boys are articulate, determined and confident. They become the well-educated role models of their communities.

A diverse and rich curriculum provides memorable experiences and an enjoyable high-quality education. It is designed to provide students with their full learning entitlement and can be customised to meet the changing needs of individuals and groups.

Studies in Computer Science and Business develop technical skills. Creativity is encouraged through Art and Drama, whilst Science builds practical knowledge and an inquisitive mind. Languages offered include European languages, as well as Arabic and Urdu. A range of PE and sporting activities are accessible, both within school time, and on an extra-curricular basis.

The majority of boys who join us in Year 7 make exceptional progress and proceed naturally to university degree courses at the age of 18. In 2018, students achieved an 82.6% Grade 4+ GCSE pass rate in English and Maths.

# LIFE

## Preparing students for a successful life ahead

Our school takes students on a journey and equips them with essential life skills to become mature, confident and well-balanced young men. A culture of resilience and self-reliance paves the way to achieving excellence in education and future employment.

A broad and varied curriculum is intended to challenge students and enable them to develop as individuals to become the leaders of tomorrow. As they progress through school, they grow into independent, tenacious and outward looking young Muslims. Our experienced teaching staff provide the guidance that students need to perform strongly and fulfil their potential.

We expect the most exemplary standards of conduct and contribution to school society. A comprehensive programme of extra-curricular activities enables students to do this whilst having fun, working as a team, and exploring their own interests in life.

A strong sense of community, both within the school and beyond the classroom, nurtures a spirit of kindness and understanding. KD Grammar students are happy and joyful in their outlook.

The school curriculum encourages students to play an active part in community life, forging links in the local area and contributing to British society. Taking on such responsibility helps them to develop a social conscience and prepares our sons for adult life, higher education and success in their future careers.

“  
have fun, work as a team,  
and explore your  
own interests in life  
”

a rich and empowering education, enhanced by excellent experiences

# JOIN US

## Arrange a school tour

We welcome visits from parents and children wishing to tour the school facilities and meet with staff and students.

Please contact us on 0161 860 7676 to arrange a mutually convenient time.

## Admissions information

Student admissions open in January each year. All students must sit an entrance examination in Mathematics, English and Islamic Studies, followed by an interview with the Headteacher.

Full details of our admissions procedure, entrance exams and fees can be found on the school website.

## MIET Scholarship Awards

Our schools offer a limited number of scholarships & bursaries. Scholarships are based purely on outstanding academic merit whilst bursary applicant must meet certain academic standard and parent income is also means tested. Both awards are given based on the result of entrance examinations. Scholarships are the highest award offered by MIET schools and are granted at the recommendation of the Executive Headteacher and the Headteacher of the School and at the discretion of the School Governing Committee. The tenure of these awards is intended to be for the duration of the holder's education in a MIET school. Bursary holder parent's financial means is tested annually. These awards are further subject to the holder continuing, each year, to excel academically, to show good progress and to demonstrate excellent attendance, behaviour, etc. and these outcomes meet the projected standards of the School. Every recipient carries a responsibility and the holder of the award will need to set an example to other pupils and will be expected to participate fully in the life of the school. They will lead by example.

**For more information about our Academic Scholarships please contact the Admissions team at the School.**
