Kassim Darwish Grammar School for Boys

Uniform Policy

Rationale

The school uniform plays a crucial role in emphasising the ethos of the school. It promotes good behaviour and order, cohesion and also sets an appropriate tone for the school. All students are expected to abide by the school rules on appearance and uniform – this includes their journey to and from school. The home-school partnership is essential in achieving high standards in this area.

Objectives of the policy

Students are required to wear the school uniform because:

- It encourages students to take pride in their own appearance,
- It enables students to have a sense of belonging and pride as a member of the school,
- It instils cohesion and good order within the school,
- It projects a positive image to the wider community.

School rules on appearance and uniform are outlined below:

The following items are NOT accepted as part of the school uniform:

Hats of any kind

Student Non-Compliance:

- Teachers can discipline students for breaching the school rules on appearance or uniform in accordance to the school's 'Behaviour and Discipline' policy.
- Students will be instructed to remove any item not accepted as part of the school uniform and it will be confiscated until the end of the day.
- If a student is not abiding by the 'School Uniform' policy, parents/carers will be contacted to remedy a breach of the school's rules on appearance or uniform by bringing an item of uniform to school or by providing an item of uniform by a date specified by the school.
- The Senior Leadership Team may ask a student to go home to remedy a breach of the 'School Uniform' policy.
- Persistent non-compliance may require a student to remain at home until the matter is resolved. This will not be recorded as exclusion but, an authorised absence. However, if the student continues to breach the school rules on uniform and appearance in such a way that he chooses to remain home to avoid school, or takes longer than is strictly necessary to effect the change, the student's absence may be counted as an unauthorised absence. In either case, the student's parents/carers will be notified and the absence will be recorded.
